Objective

Mobile Application Developer with hands-on experience in Flutter and Dart. Passionate about creating innovative and user-friendly solutions. Eager to contribute technical expertise, collaborate with teams, and continually learn in a dynamic environment.

Education

- Bachelor of computers and Informations **Zagazig University** (2018-2022)
  - Major: Information System (**IS**)
  - General grade: Good
  - Graduation project: Psychiatric clinic System
  - Project grade: Excellent

Experience

- Internship Mobile Application Developer (Flutter) at orange digital center (6/2022 - 9/2022).

Projects

- **Psychology App** Explore our innovative (graduation project) that seamlessly blends psychology, mobile development, and real-time communication technologies. Developed with Dart, Flutter, MVC architecture, Firebase, Agora for real-time audio and video calls, multimedia messaging, GetX for state management, and an intuitive appointment booking system, this application aims to redefine how patients connect with psychologists. GitHub & Demo

- **Messenger clone** with fully functionality (Dart-Flutter – MVC – Firebase – Agora real time audio, video calls - multimedia messages -GetX). GitHub & Demo

- **Courses Booking system** using (MVC- RestFull Api-GetX). - GitHub& Design
- **Online XO game** (Firebase-FCM-multiplayers) -GitHub & Demo
- **Zekr** using (mvc-local storage-FCM-Getx). GitHub & Demo
- **Movie App** using (MVC - riverpod – SQLflite-API-WebView). GitHub & Demo
- **E-commerce** using (MVC - Firebase – Getx-Rest Api-Payment Integration). - GitHub
- **Chat App** using (– MVC – Firebase – GetX). GitHub

Technical Skills

- Flutter Development – dart.
- Firebase.
- REST API: (post, get, put, delete) .
- Version control (Github-git).
- postman.
- Local database.
- OOP.
- Solid principles.
- Agile methodology.
- Clean Code.
- Architecture Patterns: {MVC,MVVM }.
- Testing Flutter apps (unit testing , widget testing).
- knowledge in front-end development.

Certifications

- Flutter Course in instant academy in cairo(2022) ***Certified**
- The complete flutter development guide(2022) with Hassan Fulaih from Udemy. ***Certified**
- The complete flutter development guide(2021) with abdullah mansour from Udemy ***Certified**
- Flutter Course E-commerce full app Getx&firebase MVC from Udemy ***Certified**
- Front-end web developing with Udacity(2021) ***Certified**
- Front-end web developing with Elzero-Web-School(html-css-js-bootstrap)(2020).

Interpersonal Skills

- Communication skills
- Team work
- Solving problem
- Ability to learn
- Fast learner
- Good research skills
- Active Listening

Languages

- Arabic (Native)
- English (Good)

Personal Info

- Military state: Completed
- Date of birth: 6/2000
- Address: Nasr City, Cairo
